## \*Discount Programs\*

### Streamline Computers can help you remotely and save you money...

#### Streamline Remote Access Service includes

Intl \_\_\_\_\_

- Installation of online software, we remotely monitor the status of your server or pc several times per week.
- Remotely we examine error logs and hard drives, to catch problems before they arise.
- When a problem does arise. We can remote in and help you at half price (75% of problems we can solve remotely (faster and cheaper)).
- With this service you will receive a 5% discount on all regular onsite service & support calls.  
\*note: by signing up for all 3 discount programs you will receive a 15% total discount on onsite service calls only, service discounts are not cumulative
- All this for only \$75 per month

### Streamline Computers can make sure all of your critical data is backed up safe and secure offsite

#### Streamline Offsite Backup Service includes

Intl \_\_\_\_\_

- Installation of a small application on the pc or server you would like backed up. At a scheduled time everyday, your critical data is encrypted, compressed and backed up to two different data centers offsite. (We monitor your backups with "Streamline Remote Access Service")
- If any data is accidentally deleted, corrupted or lost, we can remotely recover your data to your pc or server.
- With this service you will receive a 10% discount on all onsite service & support  
\*note: by signing up for all 3 discount programs you will receive a 15% total discount on onsite service calls only, service discounts are not cumulative
- Business information security and piece of mind is only an additional \$25 per month

(You will also need Streamline Remote Access Service with this service, so that we can monitor your backups for you)  
(Both of these services are month to month services and can be cancelled at anytime, No yearly contracts)
